One day, **Supa Bum** was looking in the mirror to see how handsome he was (although he was really gross in many people's opinion).

Remember Frank from Book 1?

(Recap: Frank got his butt carved, and that butt became Supa Bum – a bum with a cape!)

Frank had a twin brother, and he also got his butt carved.

His butt also became super! But because it was so vain, an enchantress locked the butt in the mirror that Supa Bum was looking into.

Since Supa Bum had unknowingly said some random magic words, he unlocked the spell, and his twin could now come out of the mirror!

Supa Bum thought the face (and by face, I mean butt) in the mirror was his... until he saw it coming OUT of the mirror.

Supa Bum was amazed to see his twin!

“Who are you? Obviously, I’m the best,” Supa Bum said.

This enraged the twin.

“No, I am the best!” shouted Supa Bum’s twin.

“Oh yeah? Well, let’s have a contest.”

“Why not, I say,” replied Supa Bum’s twin.

So they agreed: whoever won three out of five challenges would be the best. The loser had to do whatever the winner said – for eternity!

## Challenge 1: The Speed Race

They raced through the sky – flying at super speed!

Soon a crowd came to see what was going on. Many people freaked out but almost every kid was totally intrigued.

Just by a millisecond, the real Supa Bum won the race.

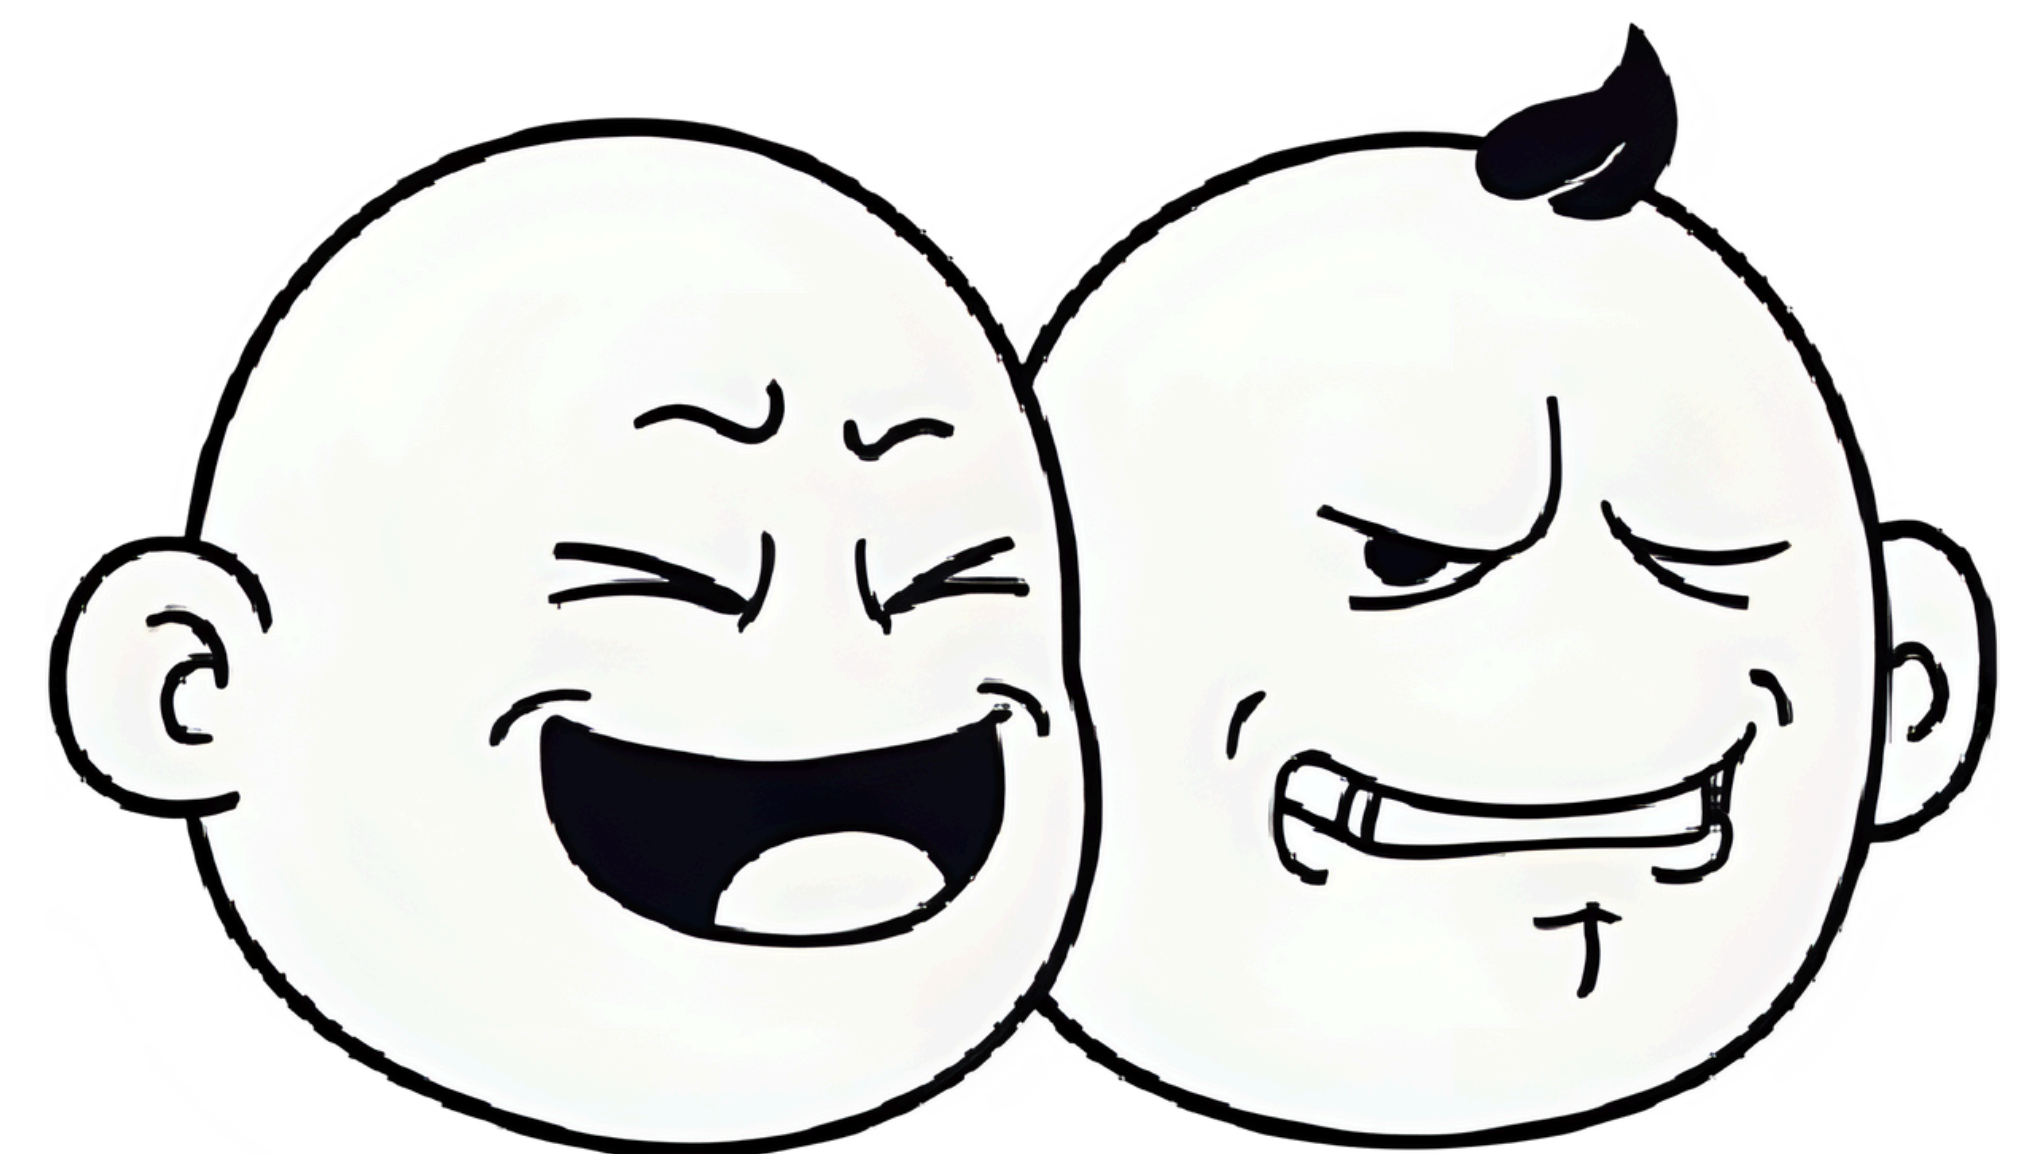

## Challenge 2: Funniest Face

The crowd would decide who was funnier and who would go first. First, Supa Bum's twin made a really funny face.

But then Supa Bum made an even funnier face.

Supa Bum was winning 2–0! He just needed one more point. But little did he know... his twin was going to cheat.

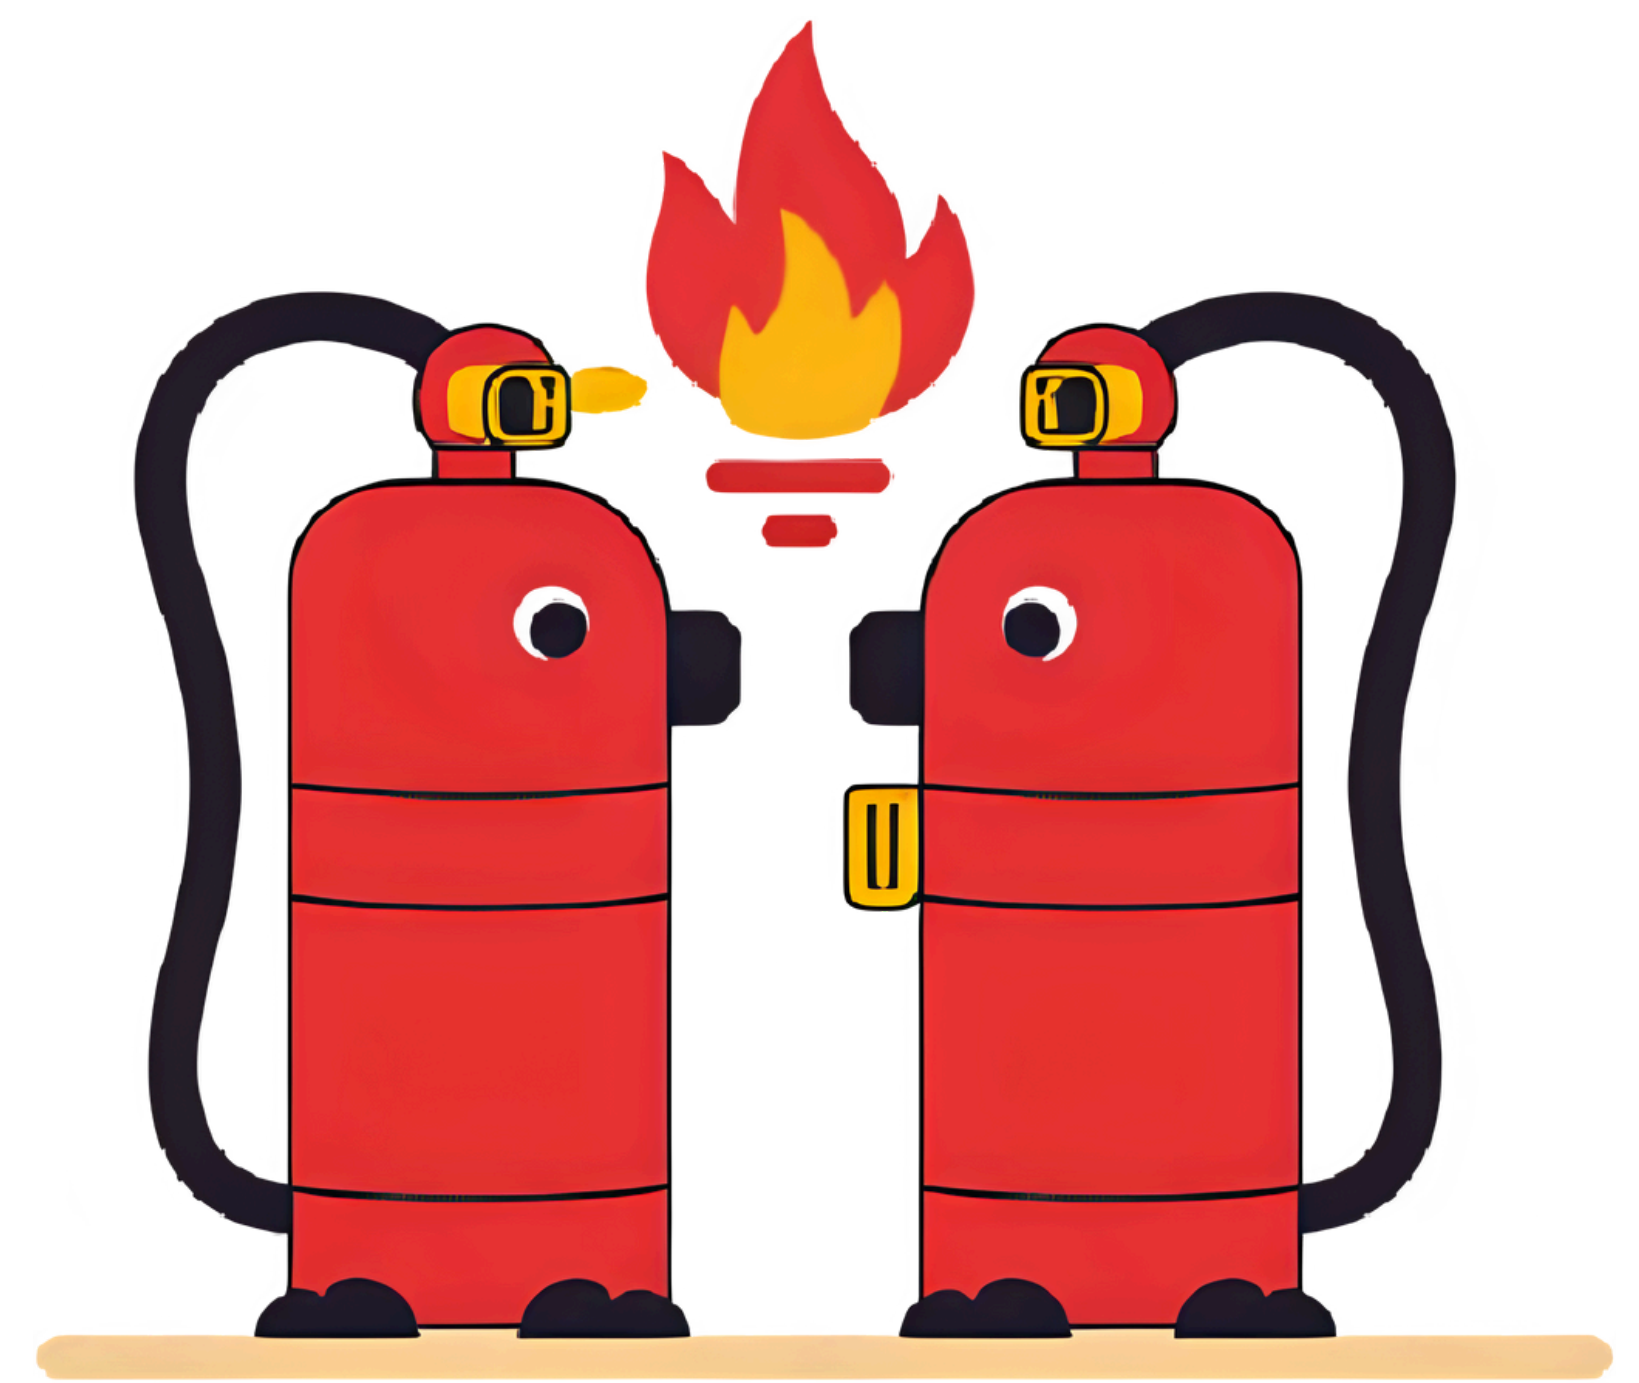

### Challenge 3: The Fire House Test

The challenge was to see who could put out a burning house faster! Supa Bum's twin tried to cheat. He gave Supa Bum a fire extinguisher with a hole in it so the water would drain.

But Supa Bum was too smart for that.

He checked the extinguisher, saw the hole, and quickly ran to the store. He bought a new one with no hole, then ran back to the challenge. His twin didn't know – and Supa Bum won **again!**

Everyone in the crowd threw up coins, and someone even tossed a badge that stuck right onto Supa Bum.

“I have to admit, you’re good... I guess you won,” said the fake.

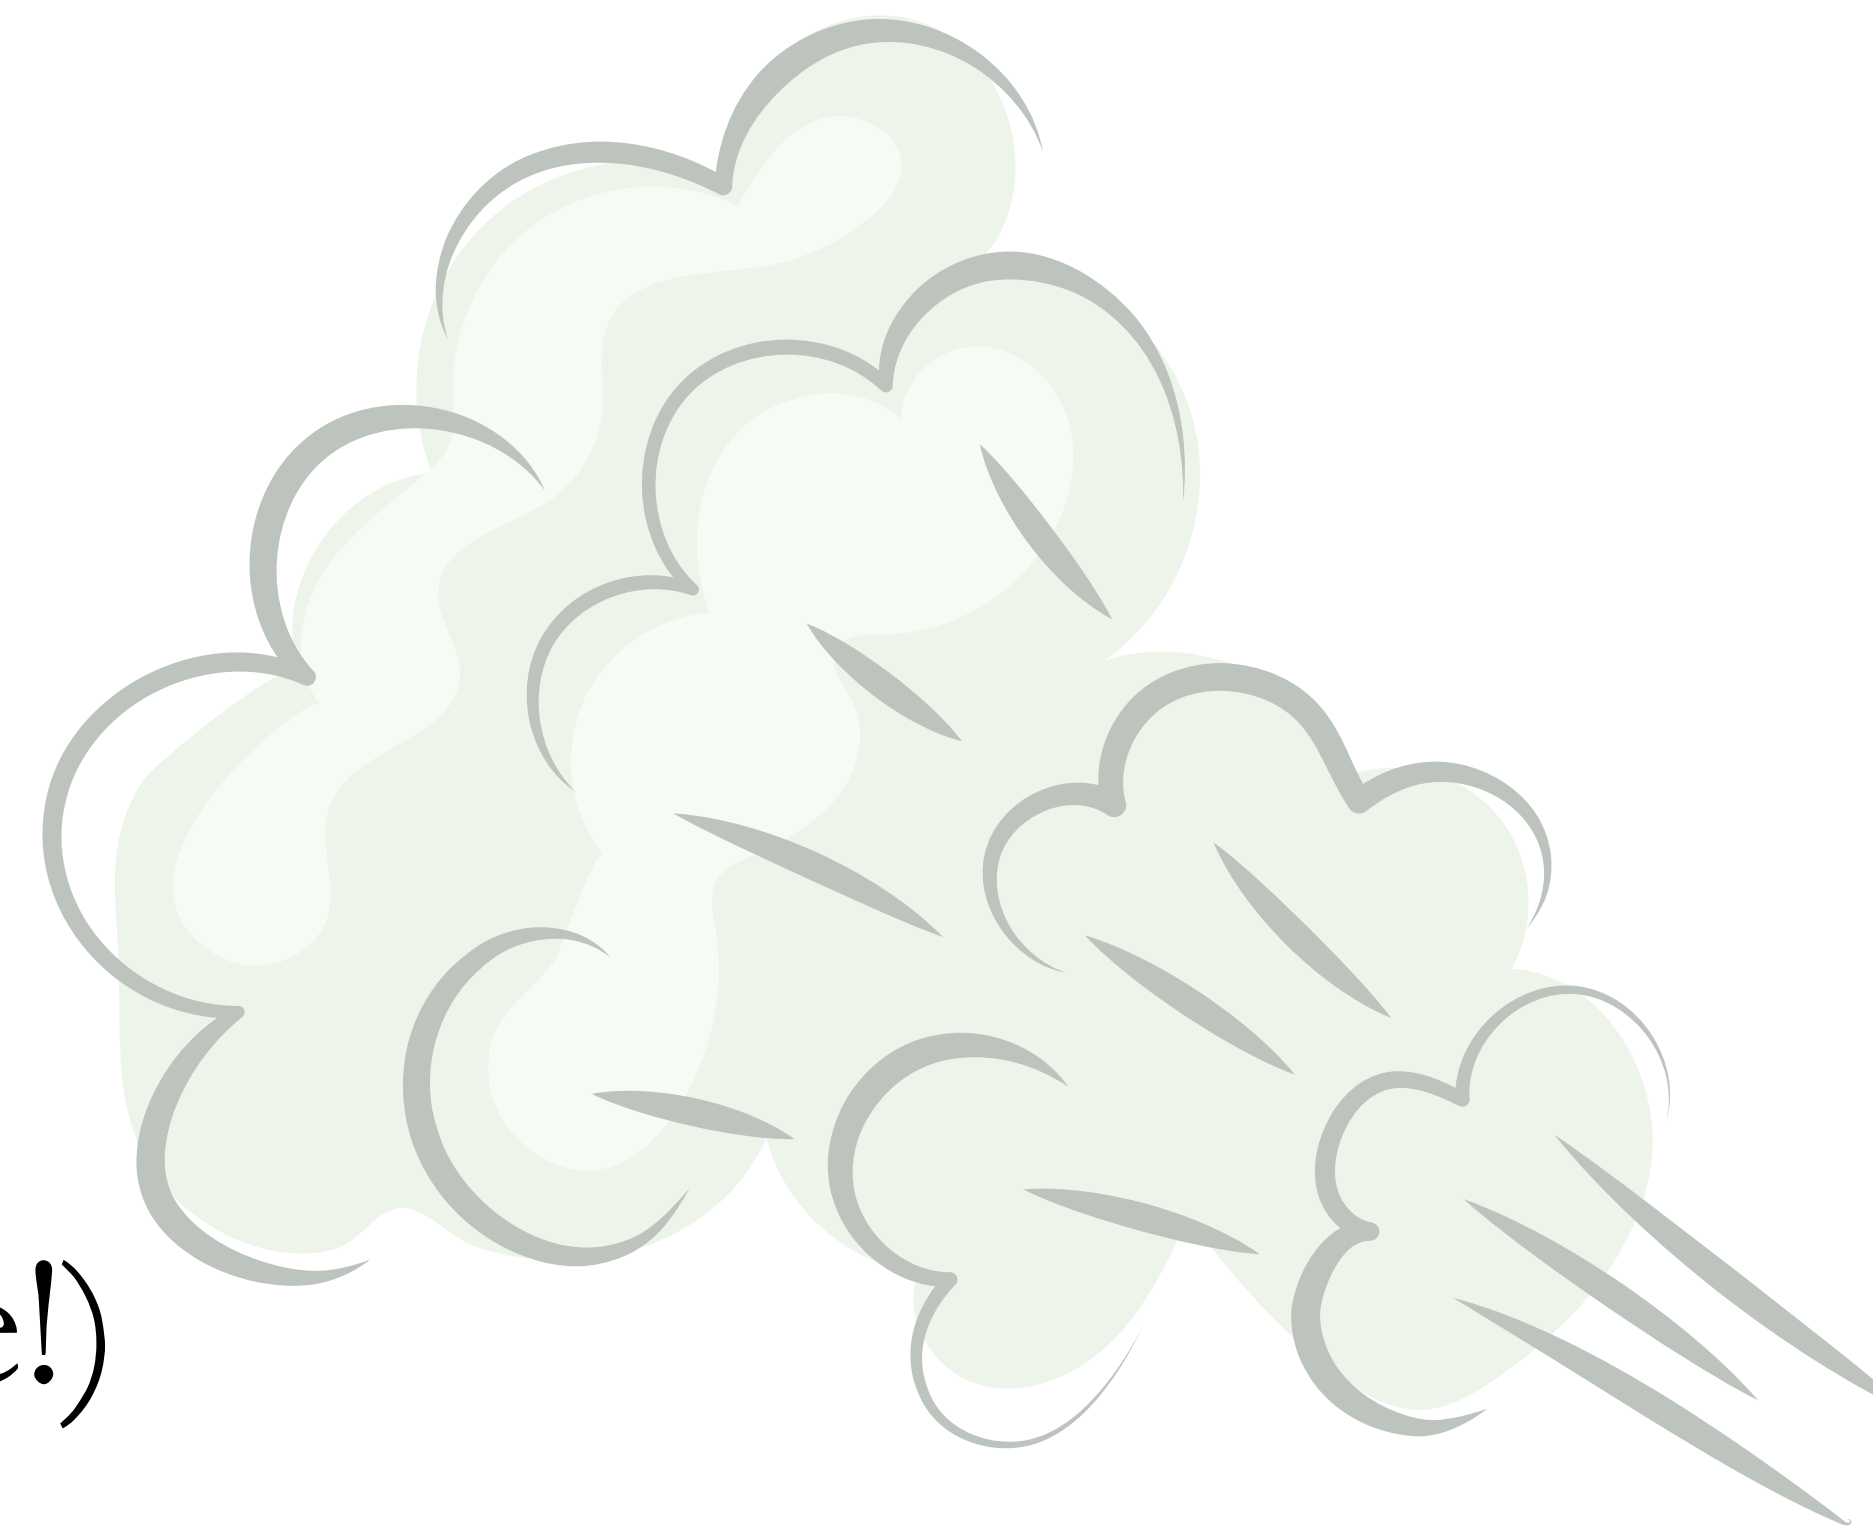

“You know,” said Supa Bum, “you could be my handy sidekick.”

“Sure! I’d love to be your sidekick!”

And from that day on, they were called...

## **The Deadly Duo**

(Like really – you know how poisonous poo can be!)
